Thank you for being a traffic safety partner with the 55+ Driver Discount Program here at Precision Driving Center of Minnesota (PDCM)!

Included with this letter is a list of our available 55+ Driver Discount Program classes in your region. These class schedules are also updated on our website frequently and can be found by visiting <https://www.stcloudstate.edu/precisiondrivingcenter/55-plus/classroom.aspx>.

If you would like to receive schedules for additional regions in our state that you are not currently receiving, please let us know and we would be happy to arrange this. If you would like to be added to our emailed list that goes out monthly instead of the mailed letter each quarter, please send an email to Christina.Donnay@StCloudState.edu and I would be happy to add you to the monthly list.

If you are in need of more DDP handouts (previously called bookmarks), please send an email to the email address above and we will send them out right away!

As of July 1st, 2024, Minnesota has removed the 8-hour requirement that was needed to initially earn the discount. The requirement to earn the discount now is a 4-hour course per statute 65b.28. Due to this change in the Minnesota statute, all classes that we offer are the 4-hour 55+ Driver Discount Program course that anyone can take regardless of where they are in their discount journey. The 3-year renewal requirement is still applicable to maintain the discount.

Our classes are filling fast so please have your client(s) pre-register and pre-pay using our web site at www.DriverDiscountProgram.com or call us at 320-308-1400 or toll free at 1-888-234-1294. We also have an online self-paced individual class option and a distance learning virtual Zoom meeting option for your clients if they would like to complete their 55+ Driver Discount Program at home. Remember that your client's information is always kept confidential and never shared or sold.

If you would like to share this information with other agents, please feel free to do so! We also have the ability to offer private classes for groups so please reach out if you would like to discuss this option.

If you are interested in becoming a certified instructor with the Precision Driving Center of Minnesota, please contact Mark at 320-308-1403.

Thank you for your continued support!
